# GET OUT ON THE WATER

Hobie

# DESIGN AND INNOVATION. QUALITY AND CRAFTSMANSHIP.

IN 1950, HOBIE ALTER SHAPED HIS FIRST SURFBOARD IN HIS PARENTS' GARAGE IN LAGUNA BEACH, CALIFORNIA. HIS VISIONARY DESIGNS CHALLENGED THE LIMITS OF WATERSPORTS AND INSPIRED A CULTURE OF INGENUITY AND CRAFTSMANSHIP THAT LIVES ON TODAY. STARTING WITH SURFBOARDS AND WORLD-CLASS CATAMARANS, TO REVOLUTIONARY PEDAL KAYAKS AND STANDUP PEDALBOARDS, HOBIE IS DRIVEN BY A PASSION FOR DELIVERING THE MOST ADVANCED, ENJOYABLE AND ACCESSIBLE WATERSPORT PRODUCTS AVAILABLE. THE HOBIE BRAND CONTINUES TO BE SYNONYMOUS WITH LEADING-EDGE ADVENTURE ON THE WATER.

TODAY, HOBIE'S PASSION FOR THE WATER IS BUILT INTO EVERY KAYAK WE MAKE. BASED IN OCEANSIDE, CALIFORNIA, HOBIE IS STEADFAST IN ITS UNWAVERING COMMITMENT TO UNSURPASSED QUALITY, EXPERT CRAFTSMANSHIP AND SUPERIOR PERFORMANCE.

5. CONTINUOUS PRODUCT EVOLUTION

# MIRAGE iTREK SERIES

## LIGHTWEIGHT & LIGHTNING FAST

The iTrek inflatable kayak series strikes the perfect balance between superior performance and portability with the MirageDrive with Glide Technology and Kick-Up Fins.

The Mirage iTrek 9 Ultralight and iTrek 11 are our lightest and most maneuverable pedal kayaks - the perfect solution for kayakers who appreciate the perks of an inflatable, yet still want all the capabilities of a high-performance platform.

The iTrek 9 Ultralight's high-tech drop stitch construction inflates to 10 PSI, delivering rugged rigidity and nimble performance in an unbelievably lightweight package. The hull construction combined with EVA standing pads allows it to be used as a seated kayak or standup paddleboard. Easy to stow and even easier to transport, just toss it into the back of your car, load it in the RV or check it as luggage for your next flight.

Built for everything from day trips to overnight escapes, the Mirage iTrek 11 inflatable kayak delivers the speed, stability, and tracking of a rigid kayak but without all the extra weight. The high-performance, lightweight construction features a rugged inflatable drop-stitch hull with triple-chamber construction. Each iTrek Series kayak features state-of-the-art seating built with breathable monomesh and ripstop nylon. Also included are a rolling travel bag with portable hand pump and high-volume electric pump.

## PARTY ON THE WATER

If you're looking to have some serious fun on your next family outing, look no further than the inflatable Mirage iTrek 14 Duo and Fiesta.

Built for two, the iTrek 14 Duo strikes the perfect balance of stability and speed. Two MirageDrives with Glide Technology and patented Kick-Up Fin Technology optimizes locomotion.

Get ready for a party on the water. The Fiesta is fast and versatile. With room for the whole family, we've integrated social seating, making it the perfect watercraft for spending time on the water playing games or putting your feet up and hanging out. With four seats, two MirageDrive GTs with Kick-Up Fins, and its high-tech drop stitch triple-chamber construction, you'll have the space and the power to bring the whole family along for the party of a lifetime.

## CONVENIENCE, PORTABILITY & A GREAT RIDE

**1 MirageDrive with Glide Technology**
Intuitive and efficient, Hobie's MirageDrive GT with Kick-Up Fin Technology offers smooth and powerful pedaling.

**2 550 Denier PVC Hull**
Built tough for years of fun.

**3 iTrek Elevated Seating**
Aluminum frame seating with breathable monomesh and ripstop nylon provides lightweight, quick drying, cool and comfortable seating. It can also be used as a beach chair.

**4 Diagonal Drop Stitch Floor and EVA Pad**
Thousands of tiny threads connect the top and bottom layers of the floor, providing remarkable structural rigidity for optimal on-the-water performance. This method of construction allows for much higher inflation pressures.

*iTrek 11 shown*

**5 Cargo Areas**
The front and rear Cargo Areas with Bungee® tie-downs ensure gear is still there when you get to camp.

**6 Locking Valves**
Valves lock into the pump for easier inflation and lock into open position for quick deflation.

**7 Four Piece Aluminum Paddle***

**8 Rudder Control**
Steer with your fingertips. The detachable steering handle provides smooth, low friction operation that can be attached to either side of the seat.

**Mirage iTrek 9 and Fiesta come standard with a Three-Piece Fiberglass standup paddleboard paddle*

**9 Carry Handles**
Portage made easy with handles forward, aft and amidship.

**10 Removable Rudder**
The entire rudder and steering system quickly attaches/detaches from the hull for easy storage when packing up at the end of the day. When attached to the hull, single line rudder blade retraction/deployment provides incredible handling and maneuverability.

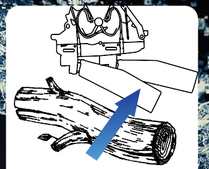

**Additional Components Included:**
Rolling travel bag for easy transportation and storage of folded-up kayak (Fiesta comes with a non-rolling bag equipped with multiple carrying handles), Cup Holder, Electric Pump, Dual Action Hand Pump for inflation and deflation.

**Optional Accessories:**
Plug-in Cart for transportation, adhesive iAccessory Mounts, Rod Holder, and other fittings. See our Parts and Accessories Catalog for more.

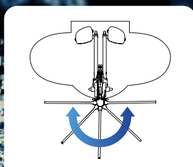

# MIRAGEDRIVE GT

## WITH KICK-UP FINS

The patented, time- tested Hobie MirageDrive pedal system with Glide Technology and Kick-Up Fins allows you to charge through the water. Power forward virtually hands-free. With roller bearings at key friction points, there is less resistance and enhanced performance. Our Kick-Up Fin Technology takes the worry out of kayaking in shallow, structure-filled waters by automatically "kicking up" on impact. Logs, kelp, rocks? No problem. The MirageDrive GT comes standard on all 2022 Mirage iTrek Series and Mirage Passport kayaks.

Kick-up Fins Retract When Impacting an Underwater Obstacle

Fins May Flutter Closer To Hull For Shallows or Beaching

# MIRAGE PASSPORT 10.5

## YOUR ONE WAY TICKET TO ANYWHERE

Powered by the MirageDrive with Glide Technology and Kick-Up Fins, the Mirage Passport 10.5 makes it possible to reach isolated beaches and remote waters, bringing you closer to nature and further from the hustle and bustle. The Glide Technology ensures a smooth ride by way of added roller bearings at key friction points.

Every feature is designed with your comfort in mind, starting with an ergonomically designed mesh aluminum frame seat. Sail open water or fish the flats, thanks to the sail-ready vertical accessory mount and molded-in rod holders. Dual mounting tracks keep your accessories within reach while the 8" Twist and Seal Hatch provides extra storage. The easy-to-use steering system and simplified version of our Twist and Stow Rudder puts navigation at your fingertips and a smile on your face.

Available Colors:

POWERED BY MD GT

# MIRAGE PASSPORT 12

## STEALTH ON THE WATER

The Mirage Passport 12 takes you where you want to go with ease and world-class authority. This 12-foot kayak is powered by the MirageDrive with Glide Technology and Kick-Up Fins. When you're not relaxing in the Passport's breathable mesh seat, a wide cockpit area with EVA floor padding provides a stable platform for standing and stretching your legs or casting a line. There's plenty of real estate to stash equipment on the bow or stern cargo areas and more below deck access through the center 8" Twist and Seal Hatch.

Anglers will be happy that the Passport 12 has a transducer cavity and scupper for quick install of your preferred fishfinder and a Power-Pole® Micro bracket indent to easily mount your favorite shallow water anchor. Additional features include steering system with stowable rudder, two fishing rod holders, accessory tracks, and under seat and gunnel tackle storage.

**15 Rod Caddies**
Keep rods within arm's reach and ready for your next cast.

***Available on Mirage Passport 12 only.**

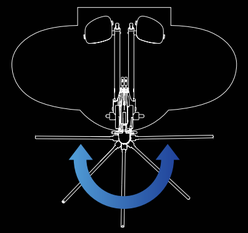

# MIRAGEDRIVE 180
# A FORCE OF NATURE

## EXPERIENCE 20 YEARS OF INNOVATION... PERFECTED.
## IN 1997, HOBIE PERMANENTLY REVOLUTIONIZED KAYAKING WITH GROUNDBREAKING FIN TECHNOLOGY.

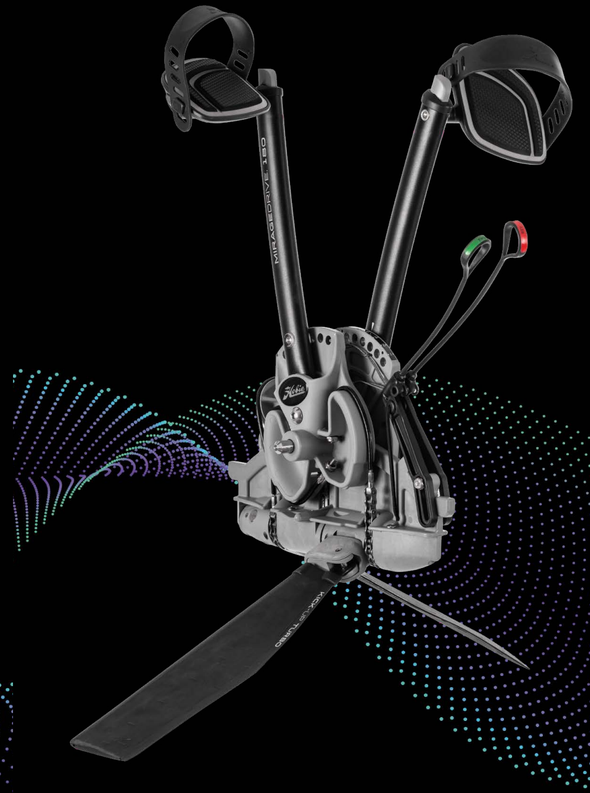

The most significant technological innovation in modern kayak history, the MirageDrive, immediately revolutionized the sport of kayaking upon its introduction in 1997. As the unquestioned leader in pedal propulsion for over 20 years, Hobie has been innovating ever since. With the patented MirageDrive 180 with Kick-Up Fins that automatically "kick-up" when an obstacle is hit and redeploy when clear, Hobie has set a new standard for pedal drives. This award-winning fin technology delivers seamless adjustability, dependability, and full power in both forward and reverse. Best of all, it's completely beachable with the push of the pedal. The MirageDrive 180 is featured on the Mirage Lynx, Mirage Compass and Compass Duo, Mirage Outback, Mirage Revolution® Series, Mirage Oasis®, Mirage Pro Angler Series and Mirage Tandem Island.

Kick-up Fins Retract When Impacting an Underwater Obstacle

Fins May Flutter Closer To Hull For Shallows or Beaching

# THE DESIGN ADVANTAGE

**Revolutionary 180 Shifters**
Instantly spin the fins from forward to reverse with a quick pull of the cable.

**Kick-Up Fins**
Kick-Up Technology provides the power to charge through the water as never before. Logs, kelp, shallows, rocks? No problem!

**Hands-Free Propulsion**
Keep your fishing rod, camera, or cold drink where they belong - in your hands.

**Navigate Shallow Water**
Fluttering the fins by using partial pedal strokes allows propulsion in very shallow water. Unlike propeller based pedal systems, the fins fold up flush with the hull for easy beaching.

**On-Water Debris**
The natural back and forth motion of the fins sheds debris and vegetation and won't twist up and get stuck like many propeller drives.

**Strength and Durability**
Built from the toughest components and designed to hold up to the harsh environments, extreme temperatures and underwater impacts, you won't find a tougher, better built drive.

**Glide Technology**
Advanced roller bearings at key friction points reduce resistance for an ultra-smooth ride.

**The Click and Go System**
Allows for quick and easy MirageDrive installation and removal.

**Easy Maintenance**
A quick rinse with fresh water is all you need once you're done for the day.

**Height Adjustable**
With the simple push of a button, the cranks adjust effortlessly to fit kayakers of different sizes, short to tall.

# MIRAGE LYNX

## ADVANCED TECHNOLOGY FOR SWIFT & AGILE ACTION ON THE WATER

Simple by design and versatile by nature, the Mirage Lynx is everything a kayaker wants and more. Race across the surface in its low-profile, flat-bottom design and experience the full speed of the Mirage Lynx with the forward and reversing MirageDrive 180 with Kick-Up Fins. Lightweight materials meet optimal performance with ACE-TEC Technology that is perfect for a weekend of exploring. Designed for maximum comfort on the water with an EVA standing pad, elevated, breathable monomesh seating that stays dry, even in rough conditions, and a wide V-hull bow to provide a smoother ride. Equipped with a removable rudder system, the Mirage Lynx tracks straight over long distances and maneuvers sharply around docks. With multiple molded-in cargo areas with Bungee® tie-downs and a convenient pouch on the seat back, there's plenty of space to stash all your gear. To top it off, the Lynx is fish-friendly for both freshwater and saltwater anglers. From molded-in inserts for our stand up H-Bar, a track system to attach your fishing accessories, to Power-Pole® ready scupper, and inserts along the back for H-Rail upgrades. It even includes a transducer cavity for installing a fish finder.

# MIRAGE COMPASS

## HIGH PERFORMANCE MEETS SIMPLICITY

Enjoy the comfort of a brilliantly simple, high-performance and fully customizable platform all while experiencing world class kayaking. The new Compass seat offers incredible comfort, durability and breathability with monomesh and ripstop nylon construction and an anodized aluminum alloy frame.

The Compass' extra-wide, rock-steady 34" hull and standing deck provide unwavering stability for confidence and control. Ample cargo space and two molded-in rod holders offer quick and easy access to all your gear. Relish the power of pedal propulsion, in both forward and reverse with the MirageDrive 180, with revolutionary Kick-Up Fins that retract on impact and feature push button cranks for easy height adjustments. The sleek bow design and retractable, spring-loaded rudder offer precise handling and tracking. Two H-Track accessory rails, plenty of storage space, and a built-in transducer cavity ready for fishfinder installation make the Mirage Compass the perfect all-around kayak for any water excursion. For added stealth, upgrade to the Compass Camo package with Turbo Fins and a covert Camo color.

## VERSATILITY, STABILITY & POWER

**1 Excellent Hull Performance**
The durable hull hits the sweet spot between tracking and maneuverability. The oversized cockpit includes plenty of flat deck area for standing.

**2 Forward Accessory Mount**
Ready for an optional Mirage Sail Kit or Bimini Sunshade.

**3 Two-Piece Paddle**
Negotiate surf-strewn beaches and rocky inlets with the included Two-Piece Paddle with Fiberglass Shaft.

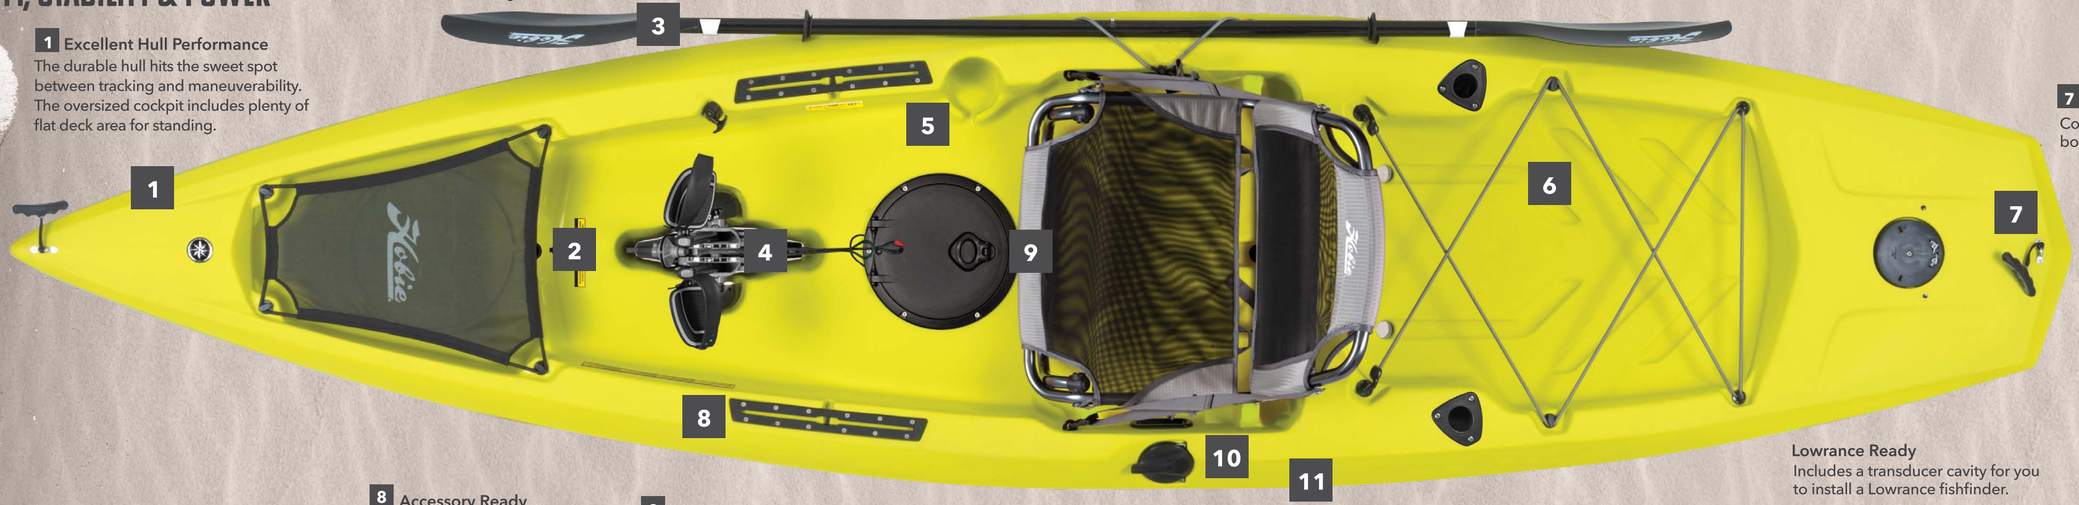

**4 MirageDrive 180 with Kick-Up Fins**
Features forward and reverse MirageDrive pedal performance. Kick-Up Fins automatically retract upon impact.

**The Camo edition comes standard with Turbo Fins*

*Mirage Compass Duo comes with one MirageDrive 180 and one MirageDrive GT.*

**5 Drink Holder**

**6 Storage Abounds**
Plenty of storage for your gear in the bow and stern storage areas.

**7 Carrying Handles**
Conveniently located midship, bow and stern.

**8 Accessory Ready**
H-Track accessory mounts provide no-drill customization.

**9 New Seat Design**
Lighter, breathable and more comfortable seat design constructed with monomesh and ripstop nylon in an aluminum frame. Mounted at an ideal height for fishing, there's room for tackle storage underneath or in the seatback pouch and easily removable for use on shore.

**10 Easy Steering System**
When you want to paddle or head on shore, the spring-loaded rudder retracts easily into the hull and automatically kicks up if you hit something. Fingertip steering with an easy grip lever.

**11 Side Carrying Handles**
Improved for ease of loading and transport.

**Lowrance Ready**
Includes a transducer cavity for you to install a Lowrance fishfinder.

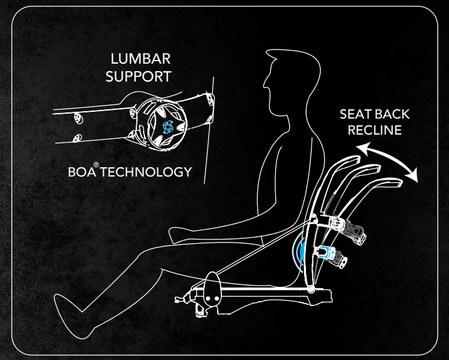

Adjustable seat is easily removable for use on shore

# Hobie VANTAGE SEATING

Vantage CT

The patented Vantage Seats maximize on-water comfort, making for a luxurious ride so you can stay focused on the environment around you. Our ergonomic Vantage Seats take adjustability and breathability to a new level, with features and materials that provide unrivaled support and comfort for a full day on the water. All Vantage Seats provide a kick stand for an even higher Vantage point and are also easy to remove and use onshore as beach chairs.

**Vantage CT* and CTW Features**

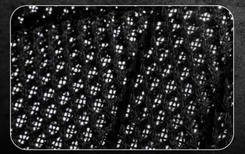

- Quickly and easily adjust the seat's angle of recline and height by simply pulling the lever.
- Seat bottom front and back maximum adjustability: capable of moving within a three-inch range to find your sweet spot. The Vantage CT can easily transition from a seat to a beach chair by plugging the four legs into the mounts.
- 3D Mesh allows air and water to flow naturally to let skin breathe and water drain.
- The wider Vantage CTW seat offers an extra 1-1/2 inches for ultimate comfort and is available on the Mirage Outback.

** The Mirage Tandem Island, Mirage Revolution Series and Oasis kayaks feature the CT seat*

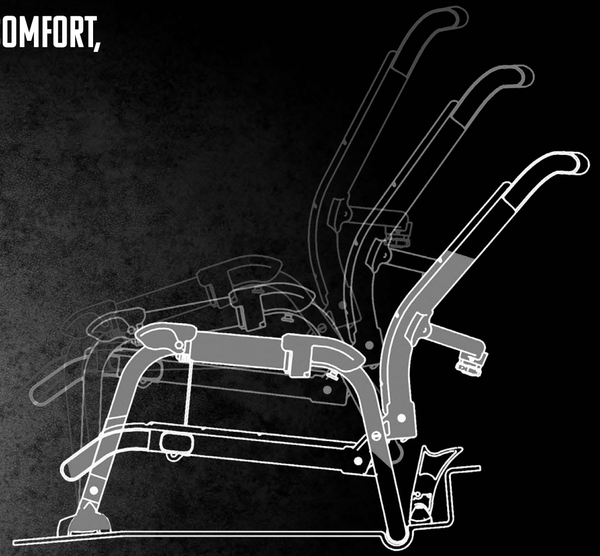

## UNPARALLELED ADJUSTABILITY FOR THE UTMOST COMFORT, A DRIER RIDE, AND LONGER DAYS ON THE WATER.

Vantage ST

Detail of advanced Vantage mesh material

**Vantage ST Features:**

- The Vantage ST is equipped on the Mirage Pro Angler Series.
- Mesh seating allows for a dryer and more comfortable ride.
- Easily customize seat positioning with integrated barrel adjusters. Need a break? Quickly recline to relax in total comfort.
- Fold up the bottom of your seat for extra room on the standing deck.
- Raise the seat an additional five inches to enjoy optimum Vantage position.

# MIRAGE
# REVOLUTION SERIES AND OASIS

## JOIN THE REVOLUTION

When speed matters most. The Mirage Revolution Series showcases the true combination of speed and power. The Revos' sleek designs makes them so fast and stable that no wave, wake, or wind can slow them down. The Revo 11 is an ideal mix of size, speed and maneuverability, easily transported to remote waters. The Revo 13 hits the sweet spot in terms of speed and tracking performance. Its 28.5" beam maximizes capacity without slowing you down, so you can hit the water with friends and always stay in the lead. Both Revos come outfitted with the industry-leading MirageDrive 180 with Kick-Up Fins, a highly adjustable Vantage CT seat, ample storage space, molded-in rod holders, and a Twist and Stow Rudder.

The Mirage Oasis is a spacious tandem kayak featuring a high-performance hull, fully loaded cockpit with highly adjustable Vantage CT seating, three Twist and Seal hatches, and easy-access storage compartments. Dual MirageDrive 180s with Kick-Up Fins power the Oasis to impressive speeds in forward and reverse. The Twist and Stow Rudder and dual steering capabilities provide enhanced tracking and maneuverability.

# MIRAGE PRO ANGLER

## 360 FULL-CIRCLE 360° POWER

The Mirage Pro Angler 360 Series allows anglers to easily maneuver their fishing kayak in every direction – backwards, forward, sideways, diagonally – or even effortlessly spin on its own access. They are as nimble as they are powerful, making it exciting to weave through obstacles and easy to stay on top of the fish. With all the fish features of the world's best-selling Hobie Mirage Pro Angler fishing kayaks, including horizontal and vertical rod storage, the adjustable, elevated Vantage ST seat, extra wide hull, Guardian Transducer Shield and stain-resistant, noise reducing EVA padding, the Mirage Pro Angler 360 Series takes kayak fishing to an entirely new level. Kick-Up Fins make shallow and structure-filled areas worry-free as they literally "kick-up" on impact. It's rock-steady platform delivers the ultimate in stability. Firecracker Red Camo with custom graphics and EVA pads is exclusively available on the Mirage Pro Angler 14 360 Mike Iaconelli Limited Edition.

# THE ULTIMATE FISHING MACHINE

**1 MirageDrive 180 Powered**
Keep your fishing rod in your hands - with Hobie's forward-reverse pedal system with Kick-Up Fins.
Pro Angler 360 Series offers the MirageDrive 360.

**2 Vantage Seating**
Take comfort to a new level with back, bottom, and BOA®-set lumbar support. Vantage Seating is easily removable for use on shore.

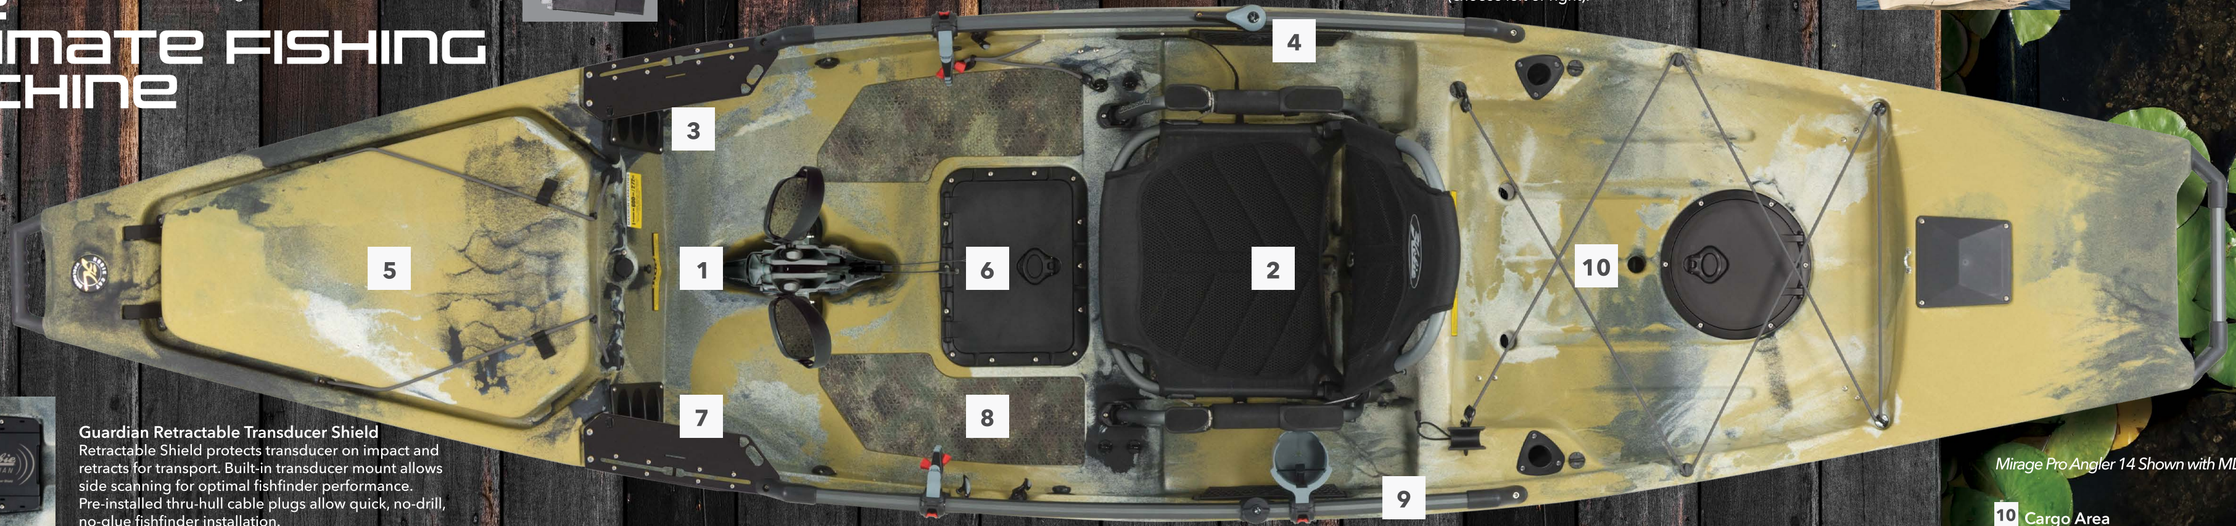

**3 Horizontal Rod Storage**
Keeps rods protected away from overhanging snags.

**4 Rudder Control**
Soft handles with dual steering (choose left or right).

**H-Bar**
The optional H-Bar is a sturdy leaning post and grab rail for stand-up fishing. Compatible with H-Rail accessories.

**Guardian Retractable Transducer Shield**
Retractable Shield protects transducer on impact and retracts for transport. Built-in transducer mount allows side scanning for optimal fishfinder performance. Pre-installed thru-hull cable plugs allow quick, no-drill, no-glue fishfinder installation.

**5 Large Front Hatch with Removable Liner**
Stash extra gear – there's plenty of room.

**6 Pivoting Tackle Management System**
Slide your tackle trays right into the PA series with ease.

**7 Mounting Boards**
Features an integrated track system, gear tie-down points, plier holder and knife slot.

**8 Standing Platform Deck Pads**
For added grip and comfort while standing.

**9 H-Rail**
There's no need to drill holes when rigging a Pro Angler. Twelve-sided Hobie H-Rail Bars hold a variety of accessories including Tackle Bins, Rod Racks, Cup Holders, Rod Holders and Mounting Plates.

*Mirage Pro Angler 14 Shown with MD 180*

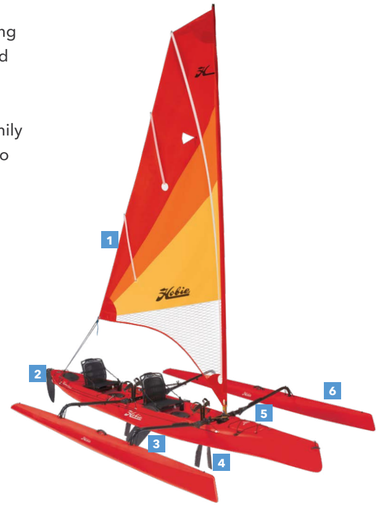

**10 Cargo Area**
There's room for an optional H-Crate, Livewell or whatever else you need to lug. A pair of nearby vertical rod holders are ideally angled for trolling.

**Skeg**
Deploy the tracking skeg for improved course keeping. Retract for maneuverability.

# MIRAGE TANDEM ISLAND

## TIMELESS DESIGN & HOBIE INNOVATION

The Mirage Tandem Island offers a unique way to get out on the water by combining the power of the pedal with the force of the wind. Designed for superior speed and performance, the Island delivers the most exciting experience imaginable from an approachable, easy-to-learn platform. Built for sailors of any size and experience level, the Tandem Island offers an unmatched experience for those seeking fun family outings as well as adventurers looking to push the limits of man and craft. Simple to launch and beach, it's easy to get started but hard to want to stop.

**1 Roller Furling Boomless Mainsails**
Providing a powerful yet user-friendly ride, the sail wraps easily around the carbon composite mast, making it simple to unfurl, trim and furl in all conditions.

**2 Island Rudder**
The oversized rudder makes steering effortless and precise, enabling maximum maneuverability.

**3 Kick-Up Centerboard**
The Kick-Up Centerboard is fully retractable and improves tracking performance while under sail.

**4 Dual MirageDrive 180s + Turbo Kick-Up Fins**
Outfitted with two MirageDrive 180s, experience unrivaled power in both forward and reverse.

**5 Aka Crossbars**
The crossbars pivot back against the hull for easy transportation, docking and storage, or to help land a prized catch.

**6 Ama Outriggers**
The durable Ama Outriggers provide the Islands with confidence-inspiring stability.

Note: Air Shipping Restrictions $CO_2$ / Dangerous Goods

### Mirage Sail Kit
Comes with two-piece mast a 20.25 sq. ft. sail, lines, fittings and a storage bag.

84512002 RED/SILVER
84514002 ORANGE/PAPAYA
84513002 SILVER/CHARTREUSE
84515002 CHARTREUSE/AQUA
84516002 PAPAYA/WHITE

### Hobie Bimini
Relax all day under the cool shade of our all new kayak Bimini. UPF 50+ fabric and sophisticated articulation feature provide sun and rain protection no matter the time of day. Made with water-resistant and lightweight ripstop nylon the shade is rugged and durable.

72020520 HOBIE BIMINI POSEIDON BLUE
72020521 HOBIE BIMINI MARINE GRAY
72020522 HOBIE BIMINI SUN YELLOW

### Livewell V2
The newly redesigned Hobie Livewell sports a fresh color scheme, modern lines and more built-in features than ever before. This Livewell is plug-and-play with most Hobie kayaks and includes: (1) 6V sealed gel cell battery + charger for powering the pump, an adjustable downspout for filling the tank half way, a corrosion resistant power switch, 3 integrated rod holders, a threaded drain plug, easily removable tank partitions for keeping bait healthy, an 8" Twist and Seal Hatch for access and bait concealment, heavy-duty straps for attaching it to the kayak and a carrying handle for easy transport.

72020077 LIVEWELL V2
72020015 ADDITIONAL ROD HOLDER

### Vantage Seat Accessory Bag
The Vantage Seat Accessory Bag is the perfect addition to your MirageDrive kayak. Ideal for storing extra tackle, keys and wallet, lunch, a foul weather jacket, birding glasses, safety gear and more.
Dimensions: Approx. 8" Tall x 8" Wide x 3" Deep.

72020117 VANTAGE SEAT ACCESSORY BAG

### Fold and Stow Cart
Fold and Stow cart weighs in at 5 pounds, functions well on solid to semi-soft surfaces, and conveniently breaks down to stow inside the bow hatch of any rotomolded Hobie kayak equipped with the large front cargo hatch.

80047001 FOLD AND STOW CART
FIXED FRAME CARTS ALSO AVAILABLE:
80045001 STANDARD CART
80046001 HEAVY DUTY CART
80044101 TRAX 2 CART
80043001 TRAX 2-30

# ACCESSORIES

### Fish Bag/Soft Cooler
Keep your food or catch cold all day, even in very hot conditions. High quality construction includes half-inch closed cell foam that insulates, vinyl coated polyester that's durable and YKK zippers that are strong. Has handles for carrying and d-rings on the sides for attaching to the kayak. Design features for storing additional gear on all bag sizes.

72020118 COOLER / FISH BAG - XL
72020111 COOLER / FISH BAG - LARGE
72020113 COOLER / FISH BAG - MEDIUM
72020114 COOLER / FISH BAG - SMALL

### Adjustable H-Bar
Standing support for kayaks! The adjustable H-Bar integrates with all H-Rail accessories for easy customization. It folds up when you need it and away when you don't. The aluminum extrusion is strong and lightweight for leaning against or holding on to while entering/exiting the boat or pulling yourself up from a seated to a standing position. Fully adjustable to fit a wide variety of kayaks.

### Kayak Kusion
This seat pad is comprised of a breathable, patented foam that won't absorb water when wet. Made in the USA with military grade components, this lightweight, advanced foam technology won't break down over time. Nylon webbing straps with non-slip cam buckles make installation and removal easy. The breathable mesh cover zips off for easy washing.

72026220 HOBIE KUSHION FIRM-BLACK
72026221 HOBIE KUSHION FIRM-OG GREEN

### H-Rail Mini Tackle Bin
The H-Rail Mini Bin packs serious utility! It's slim and rugged design features a built-in 42" retractable gear tether, a tool holder for pliers or fish grips, four clip points for leashing down gear and raised drain channels in the floor so your gear won't ever sit in water. Four mounting locations for its integrated H-Rail clamp allows for a variety of orientations, giving you the flexibility to mount the bin just about anywhere you've got an open section of H-Rail. Perfect for holding the tools you need close to hand.

84623004 MINI TACKLE BIN / H-RAIL

### EVA Deck Pad Kits
Hobie's EVA deck pad kits are custom fit to every curve of your kayak and deliver supreme comfort, traction and sound dampening qualities.

### Hobie Thin-Back Life Vest
Features a thin foam back design... perfect for use with Hobie Vantage seats. This thinner back profile provides more mobility and comfort, while reducing interference with taller seat backs.

S6104XX (XX = SIZE) MENS SLATE
S6107XX (XX = SIZE) MENS FISH SLATE GREEN
S6105XX (XX = SIZE) WOMEN'S SUN
S6106XX (XX = SIZE) WOMEN'S SLATE

### Power-Pole® Micro Anchor and Spike
Fast and secure anchoring for Hobie Pro Angler or Outback. Includes Micro Driver Unit and and new 8' UL Spike.. This all-electric unit is extremely quiet and easy to use. It works with a ¾" spike to stop and anchor your kayak at the push of a button. It functions as a conventional stakeout pole or shallow water anchor without having to manually deploy it. With Power-Pole's signature strong hold, the Micro gives you a smooth stop in seconds.

72020083 POWER-POLE MICRO AND SPIKE
(Pro Angler series and pre-2019 Outback, Compass and Compass Duo requires mounting kits to properly distribute loads. 2019+ Outback and Lynx require hardware kit. Passport 12 uses bolts provided with your Power-Pole Micro unit. Not approved for use on other Hobie models at this time)

### Tie-Down Straps
Rack tie-down straps, made of durable black polypropylene webbing. Diagonal cut and ironed ends make threading ends into buckles easier.
